

Community Implementation Funding Funding Recipients and Projects

2015 – 2020 Get Healthy Funding Priorities based on the [“Get Healthy SMC Strategies for Building, Healthy, Equitable Communities 2015-2020”](#):

- **Healthy Housing:** Stable and affordable housing protects health and provides the ability to engage in healthy opportunities.
- **Healthy Neighborhoods:** Complete neighborhoods make it easy for residents to be healthy every day in their communities.
- **Healthy Schools:** High-quality education creates pathways to better health.
- **Healthy Economy:** A strong local economy builds household financial security for all and promotes everyone’s health.

Organization/Committee	Activity	Year
Healthy Housing: Stable and affordable housing protects health and provides the ability to engage in healthy opportunities.		
Faith in Action Bay Area	Faith in Action Bay Area will continue to implement the Healthy Communities in Action project to increase the involvement of residents and stakeholders in building health equity for low-income residents and residents of color in Daly City.	2019
Rebuilding Together Peninsula (RTP)	Rebuilding Together Peninsula (RTP) will continue to implement the East Palo Alto Accessory Dwelling Unit (ADU) Initiative to build on the lessons learned by the ADU Initiative’s work to date, providing additional research, tools, and guidelines that can increase investment in health equity in East Palo Alto (EPA) and share lessons learned to alleviate the broader affordable housing crisis in our region.	2019
Faith in Action Bay Area	Faith in Action will implement the Healthy Communities in Action project to increase the capacity of Daly City residents, local schools, and organizations to explore issues affecting their community and identify solutions and engage in civic activities that lead to community improvements.	2018

Community Implementation Funding Funding Recipients and Projects

Rebuilding Together Peninsula	Rebuilding Together Peninsula will implement the East Palo Alto Second Unit Initiative to work in collaboration with various local stakeholders to ensure healthy, stable and affordable second units are available to low-income residents in East Palo Alto.	2018
Faith in Action Bay Area	Faith in Action will collaborate with East Palo Alto city staff, decision makers and residents to ensure the well-being residents by helping to create a transparent, affordable, supported pathway to upgrading existing second units and garage conversions that will provide healthy, safe and legal homes for low-income families and seniors in East Palo Alto.	2017
Community Legal Services of East Palo Alto	Community Legal Services of East Palo Alto will provide technical assistance to East Palo Alto community leaders and work collaboratively with leaders to design policy solutions that meet community demands for health, equity, and stable housing through the General Planning process.	2016
Faith in Action Bay Area	Faith in Action will strengthen understanding of the relationship between health and housing in cities with adverse health impacts, and conduct a community assessment in three cities to identify critical issues that affect community health.	2016
Healthy Neighborhoods: Complete neighborhoods make it easy for residents to be healthy every day in their communities		
Silicon Valley Bicycle Coalition	Silicon Valley Bicycle Coalition will implement the People Powered Planning project to work with low-income communities and communities of color in Daly City to engage in local planning processes.	2019
Youth Leadership Institute	Youth Leadership Institute will continue to implement the Transportation Equity Allied Movement project to uplift the needs and priorities of communities most affected by the intersection and impacts of housing and transportation decisions. Youth will continue expanding their capacity on the overlap of these two issues and inform decision makers with a health equity perspective.	2019

Community Implementation Funding Funding Recipients and Projects

Community Alliance with Family Farmers	Community Alliance with Family Farmers will implement the Leveraging Farm to School to Increase School Breakfast Participation project in collaboration with community partners and local school districts. School breakfast participation is low in the partner school districts of Jefferson Elementary (JESD) and South San Francisco (SSFUSD). This project will increase participation to address child nutrition and food insecurity by increasing school breakfast program participation through coordinated promotional efforts.	2019
Youth Leadership Institute	The Youth Leadership Institute will implement year 3 of 4 of the Transportation Allied Equity Movement Initiative aiming to expand youth voices in transportation planning and investment decisions.	2018
Silicon Valley Bicycle Coalition	Silicon Valley Bicycle Coalition will enhance priorities used in traditional transportation planning like speed and efficiency to include health, equity and safety priorities.	2018
Community Alliance with Family Farmers	Community Alliance with Family Farmers will research and develop innovative tools that can support institutional food service programs to procure locally grown food through legal bidding processes.	2018
Pie Ranch	Pie Ranch will increase access to healthy foods by providing affordable subscriptions service to meal kits that will include organic, locally grown food and ingredients to make healthy, easy-to-prepare meals at home for low-income families in the La Honda and Pescadero region of San Mateo County.	2017
Youth Leadership Institute	Youth Leadership Institute in collaboration with Urban Habitat, will build capacity of low-income youth leaders and workers from vulnerable communities in Half Moon Bay, South San Francisco and throughout the county to educate and increase awareness regarding healthy, equitable transportation, its impact on health and strategies for affordable, accessible public transportation that support healthy behaviors and reduce negative environmental impacts of vehicle use.	2017

Community Implementation Funding Funding Recipients and Projects

SPUR	SPUR will provide an assessment of transit opportunities for improved transit planning, policies, and implementation that support healthier, more equitable transportation options for San Mateo County residents. The analysis will be useful for both local and regional engagement.	2016
Urban Habitat	Urban Habitat will assess community identified transportation needs, provide technical assistance to Youth Leadership Institute's Transportation Equity Allied Movement, outreach to key transit dependent constituencies, and develop recommendations for strategies that build healthy, equitable communities.	2016
Youth Leadership Institute	Youth Leadership Institute in collaboration with Urban Habitat, will build youth leadership and research the needs of transit-dependent populations to help support healthy and affordable public transportation opportunities in rural Half Moon Bay and urban South San Francisco, which provide multiple health benefits including access to healthcare, healthy food outlets, opportunities for walking and biking, and limiting congestion, air pollution, and subsequent respiratory illnesses, to name a few.	2016

Community Implementation Funding Funding Recipients and Projects

Healthy Schools: High-quality education creates pathways to better health.		
San Mateo County Office of Education (SMCOE)	SMCOE will implement the <i>2019 Building Depth in Restorative Justice Practices Implementation</i> Project to build on two years of expanded restorative practices awareness, education, and train the trainers efforts to support school implementation. The project will build capacity within San Mateo County schools to create more inclusive and resilient school communities, with special focus on schools within priority districts.	2019
San Mateo County Office of Education (SMCOE)	SMCOE will build capacity in restorative practices within schools to build resilient schools. Restorative practices address conflict by developing relationships among impacted parties and using those relationships for better outcomes.	2018
Community Alliance of Family Farmers	Community Alliance of Family Farmers will increase access to local fruits and vegetables in school cafeterias and create school environments that promote student health in San Mateo County.	2017
San Mateo County Office of Education (SMCOE)	SMCOE will provide training and tools and build capacity within San Mateo County schools to shape supportive environments in which students, teachers and administrators are able to address students' social-emotional needs and create more inclusive, resilient schools and communities.	2017
Community Alliance of Family Farmers	Community Alliance of Family Farmers will increase access to local fruits and vegetables in school cafeterias and create school environments that promote student health in San Mateo County.	2016
San Mateo-Foster City School District (SMFCSD)	SMFCSD will implement a school-based program designed to promote effective, equitable disciplinary practices in SMFCSD that will provide all students access to high-quality learning environment that equips them for career success and lifelong health.	2016

Community Implementation Funding Funding Recipients and Projects

Healthy Economy: A strong local economy builds household financial security for all and promotes everyone's health.		
Renaissance Entrepreneurship Center	<p>Renaissance Entrepreneurship Center will implement the Healthy Entrepreneur Ecosystem project to train and support North San Mateo County entrepreneurs with the greatest barriers to economic opportunity, assess the local small business support ecosystem, and provide advice on how local institutions can better support underrepresented vendors.</p>	2019
Envision, Transform, Build—East Palo Alto (ETB-EPA)	<p>The ETB-EPA coalition will implement the “Capturing Public Value and Benefits from New Commercial Developments in San Mateo County” project to analyze model practices to develop policy guidance to maximize public value from large commercial developments across the county.</p>	2018
Lawyers Committee for Civil Rights	<p>Lawyers Committee for Civil Rights will provide access to legal services, small business development and support for small and low-income business owners on Middlefield Road in North Fair Oaks to help stabilize businesses, secure financial stability and health and build a strong healthy local economy.</p>	2017
