

## Community Implementation Funding Funding Recipients and Projects

**2015 – 2021 Get Healthy Funding Priorities based on the "[Get Healthy SMC Strategies for Building, Healthy, Equitable Communities 2015-2020](#)":**

- **Healthy Housing:** Stable and affordable housing protects health and provides the ability to engage in healthy opportunities.
- **Healthy Neighborhoods:** Complete neighborhoods make it easy for residents to be healthy every day in their communities.
- **Healthy Schools:** High-quality education creates pathways to better health.
- **Healthy Economy:** A strong local economy builds household financial security for all and promotes everyone’s health.

Organization/Committee	Activity	Year
<p><b>Social Determinants of COVID-19:</b> San Mateo County and the state of California have made equity a key priority of local vaccine distribution.</p>		
Bay Area Community Health Advisory Council	<p><b>Bay Area Community Health Advisory Council</b> will expand Umoja Health, a grassroots effort utilizing the FUBU principle (“For Us, By Us”) to bring health information and vaccination access to communities of color in North County who have been hardest hit by the COVID-19 pandemic and other health conditions.</p>	<b>2021</b>
City of South San Francisco	<p><b>City of South San Francisco</b> has identified communities with the greatest need and has designed a Community Navigators pilot program (CNP) that will address some of the linguistic and accessibility barriers that inhibit access to critical services and civic engagement.</p>	<b>2021</b>
HealthWays, Inc.	<p><b>HealthWays, Inc.</b> will implement community outreach, engagement, education, and navigation services with the underserved and marginalized residents in Daly City and nearby cities in the Northern San Mateo County to maintain healthy lifestyles by assisting them to enroll, utilize, and sustain health coverage, human services benefits, and other social, economic, and environmental opportunities.</p>	<b>2021</b>
Redwood City Together	<p><b>Redwood City Together’s</b> Neighborhood Action Team, a collaborative effort among healthcare providers, nonprofits and community members, will develop and implement grass-roots activities and programs aimed at increasing access to mental health services for the most impacted members of the Redwood City and North Fair Oaks.</p>	<b>2021</b>

## Community Implementation Funding Funding Recipients and Projects

Community Legal Service in East Palo Alto	<b>Community Legal Service in East Palo Alto's</b> Workers' Rights Outreach project will provide community members and essential workers with support to get and sustain jobs that build financial security and understand their rights to worksite safety, sick leave, and other legal protections.	<b>2021</b>
Senior Coastsiders, Inc.	<b>Senior Coastsiders, Inc.</b> will use a community-engaged approach to carry out Contemplative Practice sessions and develop a resource and activity booklet on contemplative practices. This project aims to address the social isolation experienced by low-income seniors throughout the pandemic and promote healthy COVID-19 mitigation and recovery practices.	<b>2021</b>
<b>Healthy Housing:</b> Stable and affordable housing protects health and provides the ability to engage in healthy opportunities.		
Climate Resilient Communities	<b>Climate Resilient Communities</b> will help expand the existing Resilient Homes program into North Fair Oaks. The program improves the housing conditions of low-income residents by providing home repairs while developing the leadership of residents to address climate health issues.	2021
Nuestra Casa	<b>Nuestra Casa</b> will create a pathway to homeownership for low-income families who are mortgage-ready in East Palo Alto, Belle Haven, and North Fair Oaks. Through culturally appropriate financial literacy program, the project will work with a selected number of residents to support them throughout the financial literacy program.	2021
Faith in Action Bay Area	<b>Faith in Action Bay Area</b> will continue to implement the Healthy Communities in Action project to increase the involvement of residents and stakeholders in building health equity for low-income residents and residents of color in Daly City.	2019
Rebuilding Together Peninsula (RTP)	<b>Rebuilding Together Peninsula (RTP)</b> will continue to implement the East Palo Alto Accessory Dwelling Unit (ADU) Initiative to build on the lessons learned by the ADU Initiative's work to date, providing additional research, tools, and guidelines that can increase investment in health equity in East Palo Alto (EPA) and share lessons learned to alleviate the broader affordable housing crisis in our region.	2019

## Community Implementation Funding Funding Recipients and Projects

Faith in Action Bay Area	<b>Faith in Action</b> will implement the Healthy Communities in Action project to increase the capacity of Daly City residents, local schools, and organizations to explore issues affecting their community and identify solutions and engage in civic activities that lead to community improvements.	2018
Rebuilding Together Peninsula	<b>Rebuilding Together Peninsula</b> will implement the East Palo Alto Second Unit Initiative to work in collaboration with various local stakeholders to ensure healthy, stable and affordable second units are available to low-income residents in East Palo Alto.	2018
Faith in Action Bay Area	<b>Faith in Action</b> will collaborate with East Palo Alto city staff, decision makers and residents to ensure the well-being residents by helping to create a transparent, affordable, supported pathway to upgrading existing second units and garage conversions that will provide healthy, safe and legal homes for low-income families and seniors in East Palo Alto.	2017
Community Legal Services of East Palo Alto	<b>Community Legal Services of East Palo Alto</b> will provide technical assistance to East Palo Alto community leaders and work collaboratively with leaders to design policy solutions that meet community demands for health, equity, and stable housing through the General Planning process.	2016
Faith in Action Bay Area	<b>Faith in Action</b> will strengthen understanding of the relationship between health and housing in cities with adverse health impacts, and conduct a community assessment in three cities to identify critical issues that affect community health.	2016
<b>Healthy Neighborhoods:</b> Complete neighborhoods make it easy for residents to be healthy every day in their communities		
Fresh Approach	<b>Fresh Approach</b> will distribute healthy food vouchers through clinic referrals to use food as medicine. This project will develop a replicable model for integrating food and nutrition offerings into healthcare systems.	2021

## Community Implementation Funding Funding Recipients and Projects

<p>Fresh Lifelines for Youth, Inc.</p>	<p><b>Fresh Lifelines for Youth, Inc.</b> will work to enhance and strengthen the role of youth voice in local systems change, effecting the justice and education system. It also builds upon current efforts to build a pipeline of under-represented youth to access local boards and commissions so they can inform policies that will lead to healthier communities and more equitable recovery efforts.</p>	<p>2021</p>
<p>Senior Coastsiders, Inc.</p>	<p><b>Senior Coastsiders, Inc.</b> will use a community-engaged approach to carry out small implementation projects to advance priorities identified by seniors in action plans. These implementation projects aim to make San Mateo County Coastside more age friendly and address the social isolation experienced by low-income seniors throughout the pandemic.</p>	<p>2021</p>
<p>Redwood City Together</p>	<p><b>Redwood City Together's</b> Neighborhood Action Team, a collaborative effort among healthcare providers, nonprofits and community members, will develop and implement grass-roots activities and programs aimed at increasing access to mental health services for the most impacted members of the Redwood City and North Fair Oaks.</p>	<p>2021</p>
<p>Silicon Valley Bicycle Coalition</p>	<p><b>Silicon Valley Bicycle Coalition</b> will implement the People Powered Planning project to work with low-income communities and communities of color in Daly City to engage in local planning processes.</p>	<p>2019</p>
<p>Youth Leadership Institute</p>	<p><b>Youth Leadership Institute</b> will continue to implement the Transportation Equity Allied Movement project to uplift the needs and priorities of communities most affected by the intersection and impacts of housing and transportation decisions. Youth will continue expanding their capacity on the overlap of these two issues and inform decision makers with a health equity perspective.</p>	<p>2019</p>

## Community Implementation Funding Funding Recipients and Projects

Community Alliance with Family Farmers	<b>Community Alliance with Family Farmers</b> will implement the Leveraging Farm to School to Increase School Breakfast Participation project in collaboration with community partners and local school districts. School breakfast participation is low in the partner school districts of Jefferson Elementary (JESD) and South San Francisco (SSFUSD). This project will increase participation to address child nutrition and food insecurity by increasing school breakfast program participation through coordinated promotional efforts.	2019
Youth Leadership Institute	The <b>Youth Leadership Institute</b> will implement year 3 of 4 of the Transportation Allied Equity Movement Initiative aiming to expand youth voices in transportation planning and investment decisions.	2018
Silicon Valley Bicycle Coalition	<b>Silicon Valley Bicycle Coalition</b> will enhance priorities used in traditional transportation planning like speed and efficiency to include health, equity and safety priorities.	2018
Community Alliance with Family Farmers	<b>Community Alliance with Family Farmers</b> will research and develop innovative tools that can support institutional food service programs to procure locally grown food through legal bidding processes.	2018
Pie Ranch	<b>Pie Ranch</b> will increase access to healthy foods by providing affordable subscriptions service to meal kits that will include organic, locally grown food and ingredients to make healthy, easy-to-prepare meals at home for low-income families in the La Honda and Pescadero region of San Mateo County.	2017

## Community Implementation Funding Funding Recipients and Projects

Youth Leadership Institute	<b>Youth Leadership Institute</b> in collaboration with Urban Habitat, will build capacity of low-income youth leaders and workers from vulnerable communities in Half Moon Bay, South San Francisco and throughout the county to educate and increase awareness regarding healthy, equitable transportation, its impact on health and strategies for affordable, accessible public transportation that support healthy behaviors and reduce negative environmental impacts of vehicle use.	2017
SPUR	<b>SPUR</b> will provide an assessment of transit opportunities for improved transit planning, policies, and implementation that support healthier, more equitable transportation options for San Mateo County residents. The analysis will be useful for both local and regional engagement.	2016
Urban Habitat	<b>Urban Habitat</b> will assess community identified transportation needs, provide technical assistance to Youth Leadership Institute's Transportation Equity Allied Movement, outreach to key transit dependent constituencies, and develop recommendations for strategies that build healthy, equitable communities.	2016
Youth Leadership Institute	<b>Youth Leadership Institute</b> in collaboration with Urban Habitat, will build youth leadership and research the needs of transit-dependent populations to help support healthy and affordable public transportation opportunities in rural Half Moon Bay and urban South San Francisco, which provide multiple health benefits including access to healthcare, healthy food outlets, opportunities for walking and biking, and limiting congestion, air pollution, and subsequent respiratory illnesses, to name a few.	2016
<b>Healthy Schools:</b> High-quality education creates pathways to better health.		
Peer Solutions	<b>Peer Solutions</b> will create a county-wide restorative diversion program for low-offending youth, providing an alternative to the punitive juvenile justice system. This funding will support the expansion of the program into more high-need communities in the county: Redwood City, East Palo Alto, and Daly City.	2021

## Community Implementation Funding Funding Recipients and Projects

<p>YMCA/Youth Service Bureaus</p>	<p><b>Youth Service Bureaus</b> will expand alternatives to suspension for the South San Francisco Unified School District, allowing suspended students to remain engaged with learning through mindfulness-based skill building, psycho-education-based activities, art, and creative processes that promote building of critical non-academic skills crucial for academic and vocational achievement. This project is particularly relevant as more students are facing disciplinary actions upon return to in-person learning.</p>	<p>2021</p>
<p>San Mateo County Office of Education (SMCOE)</p>	<p><b>SMCOE</b> will build capacity in restorative practices within schools to build resilient schools. Restorative practices address conflict by developing relationships among impacted parties and using those relationships for better outcomes.</p>	<p>2018</p>
<p>Community Alliance of Family Farmers</p>	<p><b>Community Alliance of Family Farmers</b> will increase access to local fruits and vegetables in school cafeterias and create school environments that promote student health in San Mateo County.</p>	<p>2017</p>
<p>San Mateo County Office of Education (SMCOE)</p>	<p><b>SMCOE</b> will provide training and tools and build capacity within San Mateo County schools to shape supportive environments in which students, teachers and administrators are able to address students' social-emotional needs and create more inclusive, resilient schools and communities.</p>	<p>2017</p>
<p>Community Alliance of Family Farmers</p>	<p><b>Community Alliance of Family Farmers</b> will increase access to local fruits and vegetables in school cafeterias and create school environments that promote student health in San Mateo County.</p>	<p>2016</p>
<p>San Mateo-Foster City School District (SMFCSD)</p>	<p><b>SMFCSD</b> will implement a school-based program designed to promote effective, equitable disciplinary practices in SMFCSD that will provide all students access to high-quality learning environment that equips them for career success and lifelong health.</p>	<p>2016</p>

**Healthy Economy:** A strong local economy builds household financial security for all and promotes everyone's health.

## Community Implementation Funding Funding Recipients and Projects

EPA Center	<b>EPA Center</b> will implement an on-the-job training program for vulnerable youth, ages 14-25, in East Palo Alto that utilizes paid internships and apprenticeships with professionals in high-wage creative fields in order to increase students' job readiness and future job prospects and set them on a pathway for economic success.	2021
Friends for Youth	<b>Friends for Youth</b> will implement a rotational nonprofit paid fellowship program for alumni mentees and transitional age youth to develop workforce skills and give back to the community they come from by learning firsthand in a local nonprofit that advances mental health.	2021
Renaissance Entrepreneurship Center	<b>Renaissance Entrepreneurship Center</b> will implement the Healthy Entrepreneur Ecosystem project to train and support North San Mateo County entrepreneurs with the greatest barriers to economic opportunity, assess the local small business support ecosystem, and provide advice on how local institutions can better support underrepresented vendors.	2019
Envision, Transform, Build— East Palo Alto (ETB-EPA)	The <b>ETB-EPA</b> coalition will implement the “Capturing Public Value and Benefits from New Commercial Developments in San Mateo County” project to analyze model practices to develop policy guidance to maximize public value from large commercial developments across the county.	2018
Lawyers Committee for Civil Rights	<b>Lawyers Committee for Civil Rights</b> will provide access to legal services, small business development and support for small and low-income business owners on Middlefield Road in North Fair Oaks to help stabilize businesses, secure financial stability and health and build a strong healthy local economy.	2017
