Our mission is to increase the number of underrepresented emergency medical technicians through leadership development, mentorship, and job training.

ABOUT US

Alameda County EMS Corps is a nationally recognized program that prepares young adults for careers in health and public safety. During this five-month program, participants receive; paid stipend, Emergency Medical Technician (EMT) training, transformative mentoring, life coaching, physical training, and more.

“With courage, we will not be dismayed by fear. With wisdom, we will continue to build our brotherhood. Our commitment will shape us into responsible men. Let the trails we face continue to build our character. We are cohort 16!” – Cohort’s 16 Mantra

OUTCOMES

EMS Corps has served over 342 young adults. 85% of graduates that took the NREMT passed and are EMT certified. This rate is higher than the current national average pass rate.
