

JOIN THE EMERGENCY MEDICAL CORPS

Graduate with an EMS certificate
Start a job as an EMT
Receive a \$5,000 student grant

Who are we looking for?

San Mateo County residents between the ages of 18 and 26, regardless of race and gender, who can demonstrate an economic barrier to training and entry into the EMS field.

The program does not require prior experience in the health care field; the program requires a high school diploma or GED.

Most trainings will be online, but few skill trainings will be in-person following health and safety standards and will be located at 1000 San Leandro Blvd., San Leandro, next to the San Leandro BART station. Learn more at: emscorps.org/take-action and gethealthysmc.org/emt-pathways
